## INTRODUCTION

CryptoCurrency industry has been growing extremely wonderful. Numerous network has been introduced in blockchain. Start from BNB Chain, CRO, AVAX, SOLANA etc. Swap and exchange DeFi have become a very important tools in the world of DeFi, along with so many chain in the world, investor are having difficulties and unpractical to use different exchange tool in different network. PancakeSwap in BSC, MM Finance in CRO etc. The technology behind DreamSwap will be multichain swap and exchange tools with the lowest close to zero trading fees.

## SOLUTION BEHIND DREAMSWAP

DreamSwap helps you make the most out of your crypto in three ways: **Trade, Earn, and Win.** Across multiple blockchain network : **BNB Chain, CRO, AVAX** etc. Multiple network support in our swap tool.

**DreamSwap Token (D\$)** serve as the essential Governance & Utility token within **DreamSwap** project ecosystem. Low Fees & Decentralize DreamSwap is a very ambitious project . Transparency is our commitment and Unlike centralized exchanges like Binance or Coinbase, **DreamSwap** doesn't hold your funds when you trade: you have 100% ownership of your own crypto.

## INTRO DETAILS OF DREAMSWAP

### 1. Low Fees

Why pay more? DreamSwap runs on BNB Smart Chain or Binance Smart chain, a blockchain with much lower transaction costs than Ethereum or Bitcoin. First version will release in BNB Chain and release into CRO (Cronos) chain.

Trading fees are lower than other top decentralized exchanges too, so that's a double win for you!

### 2. D\$ Governance Token

There is a minimum hold of D\$ token in order to trade in DreamSwap Exchange. Growing the demand on the token.

### 3. Massive Marketing

Massive marketing will be executed by dev team especially during early launch to gain exposure of fantastic project.

### 4. BNB Chain, CRO Chain and More

Launch first day in BNB Chain, DreamSwap exchange tool will be released in CRO in the upcoming 2 days after BNB Chain. 1 : 1 relation on different network which supporting each other and maintaining strong and powerful floor.

## **5. EARN with DreamSwap**

Earn with DreamSwap in multiple blockchain network

## **6. Fairlaunch**

Dev is not fans of presale as it's less growth opportunity for our investors and weaker floor after vesting. DreamSwap will be released in fairlaunch so investors can easily get 100x – 1000x of investment by participating as a good community.
